

My Teaching SMART Goal

SMART Goal

Specific: What exactly do I want to reach or achieve? Be as specific as possible!

My goal is to...

Measurable: How will I know when I have accomplished my goal? Can I measure My success in numbers or dates, or milestones?

I know I will have accomplished my goal when...

Attainable: Can I reach this goal if you work at it and follow the steps to achieve it? How will I get what I need to be successful?

The resources I need and the steps I need to take are...

Relevant: Why do you want to achieve this goal? Will this keep you motivated even when you struggle?

I want to achieve this goal because...

Time-bound: How long will it take for you to reach the goal? Give a date for completion.

I will achieve this goal by...
